The following four drafts are submitted for approval:-

1. Draft notification applying the Employment of Children (Amendment) Act, 1939.
2. Draft Rules under the Employment of Children Acts.
3. Draft notification appointing Inspectors under section 6 of the Act.
4. Draft letter to the Political Department.

Draft I :

5

(1) It is necessary to amend modification (2) against the Employment of Children Act, 1938, as section 2,which has been omitted for the Station, now becomes clause (a). Clauses (b) to (d) added by the Amending Act must be retained.

× Copy at (E).

× Copy at (E)

(2) In place of "1st day of October, 1939" in section 3B, the date of the application of the Act should be given.

Draft II :

6

(1) The D.M's draft is based on Madras Rules (copy at T.). References to Federal Railway are not necessary in the Station Rules. For this reason clause (a) of section 2 has been omitted.

× Send to file.

(2) The preamble has been slightly altered having regard to past precedents. Please see also Coorg Notification.

(X) Sn. 4/Ch 10 P
Co. F. 355-39

(3) In rule 4 it is proposed to recognise medical practitioners registered under the Medical Act, 1858 (Act of Parliament) or any Act of any

legislature in British India (Madras Medical Registration Act which is in force in the Station comes under this) or ~~the~~ Mysore. In the British Indian Rules registration under the State Acts has not been recognised. Presumably the Mysore Act has been included by the District Magistrate in view of the proposals on the retrocession case that the Mysore Act will apply to Civil Station. Having regard to the fact that the C&M Station and the Railway lands are surrounded by the State territory, there seems to be no objection to our recognising registration under the Mysore Act also. In Madras any officer of the Public Health Department of the rank of a second-class Health Officer may grant certificates of age.

Draft III :

A draft notification appointing Inpsectors under section 6 is prepared. It may be kept in readiness for issue as soon as the rules are made. It seems desirable that for purposes of section 3-B the Inspector of Factories should have jurisdiction over the Railway lands as well as the Station. Please see Madras Government's Proceedings No.Ms.2789, dated the 16th November 1939. It is not necessary to give powers to the Railway Police Inspector in the Station and rule 3(b) in draft II has therefore been slightly modified.

All right. but MSM Railway. Bivattam in Para 4) Federal Railway under Govt. of India act. Is it the same definition in Railways act? Rules for non-Federal Railway will be issued by Resident & need not be sent to C.R. Rules for Fed. Rlwy must be issued by Govt. Amend suitably.

5.12.39.

6/12/39.

9

After discussion with Secretary a new para has been added to the draft letter to the Political Department, which is for approval. As the rules will be in force ~~in~~ in the railway lands including the Bangalore-Bisnatham section, which is a federal railway, there seems to be no objection to our sending a copy of the draft rules to the Political Department, who may be able to suggest modifications, if any, in the light of similar rules made for other federal ~~rules~~ railways in*British India and Indian States.

*(Only draft rules proposed for British India were received with S.N.1).

- - -

I forward herewith a draft notification of the Rules framed for the Station under the above Act as amended by Act XV of 1939.

Under Section 6 of the Act, the Inspector of Factories for the Station and the Railway Police Inspector for the Railway lands may be appointed as Inspectors after the publication of the rules.

The amended Act (Act XV of 1939) does not appear to be in force in the Station, as in the Government of India Notification No.309-I.B., dated the 17th August 1939 it has not been mentioned. Nor is there any provision in the Civil and Military Station (Application of Laws) Order, 1937 that all British Indian Acts passed after the 1st April 1937, when applied to the Station will apply with all amendments up to the date of extension.

I request therefore that the Amendment Act may be applied before the issue of these rules.
